Drinks Menu

Our coffee is amazing. We only use fairtrade beans sourced from the best coffee producing regions of the world.

We stock over 20 different varieties of teas and herbal teas!

In addition to the standard range of soft drinks, we also serve specialty cold drinks like Elderflower and Lemon & Ginger. For those wanting a little treat, try our Hot Chocolate or Spiced Apple warmer!

Fruit smoothies are a summertime favourite at Olives. The flavours vary depending on fresh fruit availability. Ask our staff for details.

Why not try a little syrup in your coffee? Choose from caramel, vanilla, hazelnut, cinnamon, mint, almond, orange, or gingerbread.
